Olympus Capital Invests US\$100 million in Zhongwang

Hong Kong, August 19, 2008 - Olympus Capital Holdings Asia today announced that it has invested US\$100 million in Zhongwang International Group Ltd. Liaoning Zhongwang Group Co., Ltd. (“Zhongwang”), the subsidiary of Zhongwang International Group, is the third largest aluminum extrusion profile manufacturer in the world and the largest industrial aluminum extrusion profile manufacturer in Asia and China in terms of production capacity, as well as the largest supplier of light transportation material in China with products widely used by railway, shipping and aviation industries. Following the investment, Olympus Capital, a leading middle market private equity firm with investment teams in Greater China, Japan, India and South Korea, will appoint one director to the board of China Zhongwang Holdings Ltd., the holding company of Zhongwang.

Mr. Lu Changqing, Executive Director and Vice President of Zhongwang said, “We are very proud of our success in transitioning our products to high margin industrial aluminum profiles over the past few years. We believe Olympus Capital, as our partner, will provide important support for Zhongwang’s sustained growth in industrial aluminum profile production and continued improvement of corporate governance. In addition, Olympus Capital will continue to support us as Zhongwang explores new markets, both domestic and international, and seeks vertical integration opportunities in the future.”

“We are very pleased to have the opportunity to invest in Zhongwang, a private enterprise in China with such significant scale and market leadership. We have been very impressed with the clear strategic vision of Zhongwang’s senior executive team and the company’s rapid growth to become one of the dominant players in the industry in China.. With the efforts of the management team, and given Zhongwang’s position as the largest and one of the most profitable industrial aluminum extruders in China, we are very confident that Zhongwang will continue to maintain its competitive positioning in the industry,” said Edan Lee, Managing Director of Olympus Capital in China.

Olympus Capital’s prior investments in China include Sichuan Emeishan Special Cement Co., Ltd., a joint venture cement producer with Sichuan Golden Summit (Group) Joint Stock Co. Ltd.; China Minzhong, one of China’s largest processed vegetable exporters based in Fujian province; and Tamarisk, a specialty vehicle holding carbon credits from the reduction of emissions at certain chemical plants.
